Dear Sir/Madam,

Subject: Application for Attendance Condonation Due to Personal and Health Issues

I am Puvvada Lakshmi Rama Durga Sivani, a student of B-Tech 2nd Year, CSE branch, in your KL university. I would like to bring to your kind notice that I have a shortage of attendance in one course.

The shortage occurred due to unavoidable circumstances, including bank-related work in my hometown and certain health issues. However, I have maintained more than 85% attendance in all my other courses.

I sincerely request you to kindly consider my situation and grant me attendance condonation for this course. I assure you that I will maintain the required attendance in the future and will not repeat this situation again.

I would be very grateful for your kind consideration.

Thanking you.

Yours faithfully,

P. Sivani
